Jesus's miracles were never done for entertainment like a magic show. They were only done at someone's request and to glorify God his Father. Each miracle shows Jesus' power over some part of creation – water, nature, human body, and death. So today and next Sunday we look at 2 miracles in the light of who requested it and some aspect of creation: The Frightened Disciples - Stilling the storm; A grieving family - Raising from the dead Jairus' daughter.
